10 Plaintiff,

11 v.

12 Commissioner of Social Security
13 Administration,

14 Defendant.

No. CV-24-00556-TUC-JGZ (JEM)

ORDER

15 On June 10, 2025, Magistrate Judge James E. Marner issued a Report and
16 Recommendation (“R&R”) in which he recommended the Court reverse the
17 Administrative Law Judge’s decision and remand the matter to the Commissioner for
18 further administrative proceedings. (Doc. 25.) The R&R notified the parties they had
19 fourteen (14) days from the date of the R&R to file any objections. No objections have
20 been filed.

21 If neither party objects to a magistrate judge’s report and recommendation, the
22 District Court is not required to review the magistrate judge’s decision under any specified
23 standard of review. *Thomas v. Arn*, 474 U.S. 140, 150 (1985). However, the statute for
24 review of a magistrate judge’s recommendation “does not preclude further review by the
25 district judge, *sua sponte* or at the request of a party, under a *de novo* or any other standard.”
26 *Id.* at 154.

27 The Court has reviewed Judge Marner’s R&R, the parties’ briefs, and the record.
28 The Court finds the R&R well-reasoned and agrees with Judge Marner’s conclusion that

1 the Administrative Law Judge's decision should be reversed and remanded to the
2 Commissioner for further proceedings.

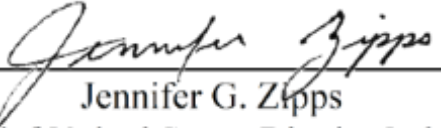

3 Accordingly,

4 **IT IS ORDERED** the Report and Recommendation (Doc. 25) is **accepted and**
5 **adopted in full.**

6 **IT IS FURTHER ORDERED** the Administrative Law Judge's decision is
7 **reversed** and **remanded** to the Commissioner for further administrative proceedings
8 consistent with this Order and Judge Marner's Report & Recommendation. (*See* Doc. 25
9 at 16.)

10 **IT IS FURTHER ORDERED** the Clerk of Court shall docket this Order and close
11 this action.

12 Dated this 26th day of June, 2025.
